# REM Design

Transform your salon with our premium 5-Star Design Service!

- 1 We start the process with an on-site consultation where our Design Consultant will guide you through style, colour schemes, and product options tailored to your vision.
- 2 We take precise measurements of your salon space.
- 3 Our expert Interior Designers will then create a custom layout using advanced AutoCAD software.

What you'll receive:

- Detailed 2D floor plans of your proposed salon layout.
- Stunning 3D photorealistic renderings, showcasing your salon in your chosen colours and design.

Following this, our Design Consultant will review your project and provide furniture quotes based on your selections.

This service is just £395 + VAT, which is refunded when you place an order of £3000 or more.

At REM we offer a customised brand embroidery service to complete the look of your salon and reinforce your brand in a stylish, professional manner.

We can provide detailed brand embroidery on all of your styling chairs, barbers chairs and stools.

All we require is for you to send us a full colour JPEG with your logo, specify the desired size of the embroidery, and let us do the rest. Our embroidery team has a wealth of skill and experience, and can produce accurate, consistent results throughout your entire salon.
